VOR (Viewable on Request)

Certain case documents contain sensitive or personally identifiable information that must be manually redacted before they are viewable by the general public. Documents listed in the Docket Events section as VOR are public documents that require further redaction by Clerk staff before they can be viewed. Follow the steps below to request access to these documents:

1. Check the Request Doc checkbox for the document you wish to view. You may repeat this for other VOR documents on the same case.
2. Once all document requests have been made for this case, click the Submit button. A confirmation screen will display, where you will be asked to enter or confirm your email address to finalize your request.
3. You will receive an initial email notification to confirm your request, followed by additional email notifications as requested documents become available. The Clerk's office makes every effort to complete these requests in a timely manner.

For definitions of document types, please refer to our [glossary](#).
